RE: Waiver on Training

To whom it may concern;

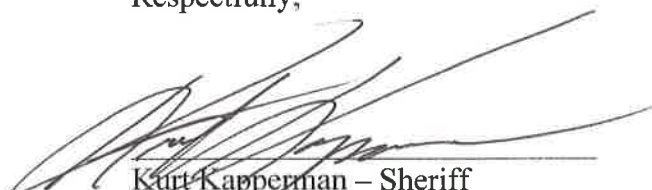

The Furnas County Courthouse has been under construction for a remodel project that started Last January/February 2015. Due to moving office locations and being displaced for the past year, while trying to organize in my new office, I came across a letter dated September 30, 2015 from NLETC reference Alex Huntley and training. (see attached copy for more information.)

Therefor I am sending this letter asking the Police Standards Advisory Council to grant an extension for Mr. Huntley to complete the training centers 193<sup>rd</sup> basic. This basic concludes July 15, 2016 and Mr. Huntley's year expires July 13, 2016.

If there are any further questions or actions that I would be required to make, please let me know and I would be more than happy to attempt to comply. If further actions are needed, please contact me @ 308-268-2245 or by email [furnasso@atcjet.net](mailto:furnasso@atcjet.net)

I am faxing a copy of this letter and will also mail the original. Again I apologize for the delay in sending this letter.

Respectfully,

Kurt Kapperman – Sheriff  
Furnas County

RE: **Alex Huntley, Applicant for Training**

Dear Sheriff Kapperman,

The above referenced individual made application to attend the 192<sup>nd</sup> Basic Academy at the Nebraska Law Enforcement Training Center to start October 26, 2015. Due to unprecedented demand for the class, we are unable to accommodate him due to class size limitations. According to our records, Mr. Huntley was hired July 13 and would need to complete training by July 13, 2016. The 193<sup>rd</sup> (next basic) graduation date is July 15, 2016 and if that is a large class too, could be extended to July 21, 2016.

Since State Statute 81-1414 requires that all persons appointed as law enforcement officer complete law enforcement certification training within one year of appointment, Mr. Huntley will now need a waiver from the Police Standards Advisory Council before the start of the 193<sup>rd</sup> Basic on March 28, 2016.

You or Mr. Huntley can submit a letter requesting a waiver to Kay Fielding, Secretary to the Council and we will place him on an upcoming agenda. This is a matter beyond his or your agency control as the Academy was unable to honor his placement in a class that would have graduated before his one year was up. Please call if you have further questions.

Sincerely,

William J. Muldoon, Director
